

Prof. Srinivas. A M.E.,
Senior Principal Scientist
Former Head, GST Department

sri@cftri.res.in

94490 61423

Grain Processing Engineer

Technology development, Applied Post – harvest research,
Engineering lead and support, Project management
34 years of Hands – on experience

Qualifications:

B.E (Mechanical), M.E (Management)
Softwares: AutoCad Inventor, Catia, Solidworks,
LabView, HyperWorks

Career path:

Aug 1985 to Jan 1987

Part time lecturer, Mechanical Engineering
Department, The National Institute of Engineering,
Manandavady road, Mysuru

Feb 1987 to Oct 1987

Graduate Trainee (Engineering)

M/s Kirloskar Systems Limited, Hebbal, Bengaluru

Oct 1987 to Jun 1992

Research Trainee (Engineering)

Department of Cereal Science and Technology,
Central Food Technological Research Institute, Mysuru

June 1992 till date

Department of Grain Science and Technology, Central
Food Technological Research Institute, Mysuru

Key achievements:

Discharged duties as Head of the Department from July 2015 to Aug 2019. Participation in R&D activities, Grain processing and engineering (design, development & testing of grain processing machinery at pilot scale & commercial scales, process/ product development), teaching, project management, technology transfer & business development, handling theory and practical classes for MSc (FT) students, presenting project proposals to funding agencies, Coordinating multiple projects, advising clients about Institute's technologies, presentation of project reports (interim and final) to funding agencies, demonstrate technologies to clients, delivering invited talks in the domain of grain processing, participating in management committees of the Institute.

In brief: Projects handled = 60, Ongoing projects = 5, Patents = 7, Posters presented = 48, Papers published = 4, Status report = 1, Book chapter = 1, Semi – technical booklets = 11, Students' projects guided = 46, Membership of Committees (internal and external) = 86.
