Chassis should be provided with suitable cross section and other structural supports to withstand a payload of at least 6 MT (Equipment mounting). The overall vehicle size to be as per RTO guidelines. GI plate of suitable thickness to be provided on the top surface of support structure to the equipment section.

EQUIPMENT SECTION:

The equipment section that have different processing equipment (supplied by CFTRI) mounted on the support structure provided on chassis. The fixing arrangement should be such that equipment can be replaced with others to have a different processing line. However, the fixture should be firm enough to withstand all forces acting during transport or operation. As water is extremely used, provision should be, made for quick drawing of water from this section. And, the floor in this section to be non-slippery.

The sides of rear wall of equipment section to be of flip open type, top portion to have lever and hinge system open up, while the bottom portion should have support at the bottom (as indicated in 3D image attached). The sheet provided to the wall to be strong enough to withstand the load of people standing (approx. 600 – 700kg) on them during working. The metal frame to be of MS, outer sheet to be aluminum and inner portion to be AISI 304. The outer sheet of walls to be compatible for graphic work and also withstand environmental condition (heat, rain, wind etc.)

Electrical wires to be provided (concealed) to all equipment points and be connected to a central panel in equipment section. All safety features to be build in to take cover of electrical, fire emergency. All equipments to be provided with individual control switches/indicators. Fire extinguisher, first aid kit to be provided. Water line to be provided in the equipment section with water connection points/taps and wire to be connected to water tank (500 L syntax) to be provided on the top of vehicle cabin.

The equipment section to be illuminated with LED bulbs, 4-6 electrical power points (15A, 5A) to connect gadgets like computer, LED monitors, Freezer, etc. All joints to be sealed to prevent accumulation of food particles and subsequent growth of microbes.

CABIN:

The cabin to be built with premier quality material in standard way with driver/ co-passenger seat and sleeper berth facility. Sliding door and wide viewing window to view kitchen and equipment area is to be provided. It should have all other general facilities like audio system, storage boxes, etc. Door to be provided for movement between kitchen and cabin

KITCHEN/LAB AREA:

All the inner surface of Kitchen/ Lab area should be built with stainless steel and flip open type side wall like equipment's area is to be provided. Door between cabin and equipment area is to be provided. The door between cabin and kitchen is sufficient enough for human movement, but the door between equipment area and Kitchen should be bigger enough to move coolers/freezers. Proper fittings should be provided to place the kitchen items and laboratory apparatus. Kitchen/ Lab area must have AC facility with separate control of on/Off of AC. To be provided with SS tables, sink and wall mounted storage box. Fixed with LED bulbs for illumination. Fitted with chimney/hood to take out exhaust. Provided with electrical points/ switches (6-7 nos. 15A and 5A) for connecting induction heater/ microwave oven/ mixer/ grinder/ instruments, etc.

The outer walls (on all 3 side) of equipment section & Kitchen area to have graphics as per the inputs provided by CFTRI

10. **As per Govt. of India procurement policies,**

a. The purchaser intends to give purchase preference to local suppliers. There is a restriction on the eligibility of the foreign suppliers/their Indian agents for item with estimated value up to 200 Crores, as per instruction issued by the Govt. of India from time to time in this regard.

b. The procuring entity intends to give purchase preference to products/goods manufactured by micro, small & medium enterprises. "Local supplier" means a supplier or service provider whose product or service offered for procurement meets the minimum local content as prescribed in DIPP Order No.P45021/2/2017-PP (BE-II) dated 28th May, 2018 or by the competent Ministries/Departments in pursuance of this order. As amended from time to time please also refer to Govt. of India (GOI) Ministry of Commerce & Industry, Department of Promotion of Industry & Internal Trade (DPIIT) Notification no. P45021/2/2017-PP (BE-II) dt. 04.06.2020 & other orders issued by the Govt. of India on "Make in India" from time to time for reference and further details.

"Local content" means the amount of value added in India which shall, unless otherwise prescribed by the Nodal Ministry, be the total value of the items procured (excluding net domestic indirect taxes) minus the value of imported content in the item (including all customs duties) as a proportion of the total value, in percent.

"Class I-Local Supplier"- means a supplier or service provider, whose goods, services or works offered for procurement, has local content equal to or more that 50%, as defined under the said Gol, DIIPT order dt. 04.06.2020 as amended from time to time.

"Class II-Local Supplier" means a supplier or service provided, whose goods, services or works offered for procurement, has local content more that 20% but less that 50%, as defined under the said Gol, DIIPT order dt. 04.06.2020, as amended from time to time.

"Non-Local Supplier means a supplier or service provider, whose goods, services or works offered for procurement, has local content less than or equal to 20% as defined under the said DIIPT order dt. 04.06.2020 as amended from time to time.

Verification of local content

a. The "Class-I local supplier"/ "Class-II local supplier" at the time of tender, bidding or solicitation shall be required to indicate percentage of local content and provide self-certification (as per format attached below) that the item offered meets the local content requirement for "Class-I local supplier" / "Class-II local Supplier", as the case may be. They shall also give details of the location(s) at which the local value addition is made.

- b. In case of procurement for a value in excess of Rs.10 crores, the “Class-I local suppliers” / “Class-II local suppliers” shall be required to provide a certificate from the statutory auditor or cost auditor of the company (in case of companies) or from a practicing cost accountant or practicing chartered accountant (in respect of suppliers other than companies) giving the percentage of local content.
- c. Decision on complaints relating to implementation of this Order shall be taken by the competent authority which is empowered to look into procurement-related complaints relating to the procuring entity.

Bidders in their own interest must refer to GOI, DIIPT order dt. 04.06.2020 & 16.09.2020, as amended from time to time & submit bid as extant Make in India. Submission of false or misleading declaration in this regard will make bidder concerned liable for punitive action, as per applicable policy and procedures.

11. Compliance of restrictions under Rule 144 (xi) of the GFR, 2017 related to restrictions on participation of Foreign Bidders and their Authorized Indian Agent/ Dealer

- a. Any bidder from a country which shares a land border with India will be eligible to bid in this tender only if the bidder is registered with the Competent Authority.
- b. “Bidder (including the terms “tenderer”, consultant” or “service provider” in certain contexts) means any person or firm or company, including any member of a consortium or joint venture (that is an association of several persons, or firms or companies), every artificial juridical person not falling in any of the descriptions of bidders stated herein before, including any agency branch or office controlled by such person, participating in a procurement process.
- c. “Bidder from a country which shares a land border with India” for the purpose of this Order means: -
 - i. An entity incorporated, established or registered in such a country; or
 - ii. A subsidiary of an entity incorporated, established or registered in such a country; or
 - iii. An entity substantially controlled through entities incorporated, established or registered in such a country; or
 - iv. An entity whose beneficial owner is situated in such a country; or

- v. An Indian (or other) agent of such an entity; or
- vi. A natural person who is a citizen of such a country; or
- vii. A consortium or joint venture where any member of the consortium or joint venture falls under any of the above.

d. The beneficial owner for the purpose of (iii) above will be as under:

1. In case of a company or Limited Liability Partnership, the beneficial owner is the natural person(s), who, whether acting alone or together, or through one or more juridical person, has a controlling ownership interest or who exercises control through other means.

Explanation----

- a. "Controlling ownership interest" means ownership of or entitlement to more than twenty-five per cent of shares or capital or profits of the company;
- b. "Control" shall include the right to appoint majority of the directors or to control the management or policy decisions including by virtue of their shareholding or management rights or shareholders' agreements or voting agreements.

- 1. In case of a partnership firm, the beneficial owner is the natural person(s) who, whether acting alone or together, or through one or more juridical person, has ownership or entitlement to more than fifteen percent of capital or profits of the partnership;
- 2. In case of an unincorporated association or body of individuals, the beneficial owner is the natural person(s), who, whether acting alone or together, or through one or more juridical person, has ownership or entitlement to more than fifteen percent of the property or capital or profits of such association or body of individuals;
- 3. Where no natural person is identified under (1) or (2) or (3) above, the beneficial owner is the relevant natural person who holds the position of senior managing official;
- 4. In case of a trust, the identification of beneficial owner(s) shall include identification of the author of the trust, the trustee, the beneficiaries with fifteen percent or more interest in the trust and any other natural person exercising ultimate effective control over the trust through a chain of control or ownership.

V. An Agent is a person employed to do any act for another, or to represent another in dealings with third person.

VI. The successful bidder shall not be allowed to sub-contract works to any contractor from a country which shares a land border with India unless such contractor is registered with the Competent Authority.

Bidders are requested to submit the prescribed Certificate as per Annexure enclosed below with local details of local value addition.

12. Purchase Preference to Micro and Small Enterprises (MSEs) and Purchase Preference linked with MAKE IN INDIA Order shall be applicable subject to full compliance of Technical Specification and other terms and conditions of the RFQ / NIT and Contract, as per Government of India procurement policies.

The purchaser intends to give purchase preference to:

- Make in India (as per DPIIT Order No. P-45021/2/2017-PP (BE-II) dated 16th September 2020 of Ministry of Commerce and Industry, Government of India.
